

# Outline of On-campus COVID-19 Vaccine Booster Shots (3rd Dose)

Reception: University Union

What to bring:

- (1) Prevaccination Screening Questionnaire that is filled out in the bold frame
- (2) Certificate of Vaccination for COVID-19 (接種済証)
- (3) Your ID such as Student ID, Staff ID

Those other than SU students and faculty/staff should bring identification documents such as a driver's license.

- (4) Reservation slip either printed or displayed on a smartphone

\* Without the prevaccination screening questionnaire, you are not able to get vaccinated. Please be sure to bring it with you.

- If the prevaccination screening questionnaire and the vaccination ticket are separated, please bring the ticket too. (See page 2.)
- You need to present your reservation slip at the reception and after the vaccination. Please ready it promptly for smooth operation. (See page 3.)

## 3. Preliminary medical examination (Gymnasium II)

...Interview with a doctor for judgment if you can get vaccinated or not

## 4. Inoculation (Gymnasium II)

\*For a smooth vaccination, please keep the sleeve of your arm to be inoculated up to your shoulder.

# On-campus COVID-19 Vaccine Booster Shots Flow for Vaccination (3)

## 5. Confirmation of vaccination (Gymnasium II)

### ...Reservation slip checking

\* Please refer to page 3 and present your reservation slip.

## 6. Post-vaccination observation (Gymnasium II)

\* You need to stay for 15 minutes (or 30 minutes) for observation.

\* If you feel sick or have any change in your condition,  
please notify your nearest doctor or nurse.

## 7. Prevaccination screening questionnaire collection (Gymnasium II)

\* After the post-vaccination observation, a staff will separate the questionnaire and the certification of vaccination for COVID-19 and collect the questionnaire only. Please keep the certificate, as it will be required for certifying your vaccination.

# On-campus COVID-19 Vaccine Booster Shots Precautions

Please be sure to come to the reception during your reserved reception hours. In case you are late, you may not be able to get vaccinated.

Please refer to the Health Service Center website for information on how to deal with adverse reactions.
